

successful and productive members of their community. Through his profound commitment and boundless energy, thousands of young people each year acquire solid academic skills that help them launch successful careers. I have met countless graduates that attribute much of their success to Leon's keen understanding of their individual learning needs. The curriculum at Kingsborough is vast and diverse enough so that people of all income levels, ethnic and cultural backgrounds, ages, and training have the opportunity to earn their degree. Leon has been a true inspiration to the people of New York and the residents of Brooklyn.

Among the successful educational programs Leon has developed include the My Turn program for senior citizens, the New Start program to help increase interaction with CUNY, bilingual studies, and the Institute for Public Service. Under Leon's leadership, Kingsborough has created more collaborative programs than any institution in the city, State, or Nation. Another innovative program which he championed is the College Now program, designed to help high school students, remain until graduation while also encouraging them to continue their studies. In addition, the Teacher's Academy program, which provides hundreds of New York City public school teachers on sabbatical leave to enroll at Kingsborough for 1 year to further their professional development. These results-oriented initiatives are vivid examples of Leon's creative visions for educational achievement.

Those attending Kingsborough have come to understand Leon's influence in their educational development. I urge all my colleagues and fellow residents of Brooklyn to congratulate Leon Goldstein for 25 distinguished years of service to Kingsborough and wish him continued success in his future endeavors.

MORE THAN 70 YEARS OF SERVICE

HON. JOE KNOLLENBERG

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 29, 1996

Mr. KNOLLENBERG. Mr. Speaker, I rise today to honor a special person—Leona MacDonald Urquhart.

She is a special lady because since 1924—that's right—more than 70 years, she has worked day-in and day-out at the Pine Lake Country Club.

As she turns 83 years old, she continues to work at the club as executive hostess.

She began working at Pine Lake at age 11 as an assistant in the kitchen and helping the housekeeping staff. With only a short leave to have her two children, she has served loyally and continuously for more than 70 years.

Many people, members and guests, have walked through the doors of this club, and Leona has known and greeted them all—and they have known her. They have enjoyed her humor, her smile, her assistance, her dedication.

She is an example of the work ethic and dedication that made America the greatest country in the world.

Now, she deserves her praise. She deserves our loyalty. She deserves our thanks.

In a world where dedication and loyalty have less and less meaning each day, Leona Urquhart is a champion of many things.

But most of all, her triumph, her legacy, and her presence makes us proud.

Good Luck Leona. I hope you are there for another 70 years. Pine Lake would not be the same if you are not.

THE BEACON SHINES IN THE LIGHTHOUSE

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 29, 1996

Mr. PAYNE of New Jersey. Mr. Speaker, I would like to bring to the attention of my colleagues, an extraordinary family who has accepted an extraordinary mission. On Saturday, May 25, a tribute was paid to Bishop James A. Parrott.

Bishop Parrott and the Parrott family responded to the noticeable plight of the hungry, the unemployed, the underemployed, and the myriad number of citizens who are forced to live on fixed incomes that are below the poverty level. What makes this unique? In 1981, before the modern-day soup kitchen was established in many of our communities, Bishop Parrott opened what was known as the "Soup Kitchen at 1035 Broad Street" in Newark, NJ. This small, seemingly insignificant gesture of consciousness cast the dye for what would become Bishop Parrott's street ministry.

Lighthouse Community Services [LCS] was founded in 1981 and incorporated in 1989. The first meal was served on February 19, 1981 and consisted of homemade cornbread and soup prepared by Mother Ann Parrott, Mother Betty Martin and Mother Constance Baskerville. They started feeding a small group of about 20 individuals three times a week for lunch. What started as a modest number of 20 grew to 757. Since 1981 over 1 million meals have been served and over 5,000 persons have been temporarily housed at LCS. As the program grew so did the number of volunteers.

In addition to nutritional meals being served daily, emergency shelter for men, women, and children is provided on a daily basis. The men's residential shelter is used to house those in need while they complete school and/or find jobs, thereby enabling them to return to the mainstream of society as productive citizens.

Mr. Speaker, I am proud to bring the story of the Lighthouse Community Services to my colleagues and to the annals of U.S. history. The Parrott family has much of which to be proud and thankful. I offer my best wishes to Bishop James A. Parrott, Mother Ann Parrott and their children—James Jr., Dennis, deceased, Joan, Steven, Andrew and Mark. Five of the children are ordained clergy with the exception of Mark who is an ordained Deacon.

Mr. HOKE. Mr. Speaker, although for most Americans it came and went without special notice, May 7 was a very important day. You
